OPTIMAL PROTECTION PROSHIELD PREMIUM®

Our FIBERWOOD composite boards from FIBERWOOD feature excellent PROSHIELD PREMIUM® protection. This protective layer covers all four sides of the boards, providing ultimate protection against stains, impacts, insects, scratches, and UV rays that cause discoloration.

Thanks to our advanced wood composite manufacturing technology, these sheds offer remarkable longevity, allowing them to maintain their vibrant beauty over time. All Fiberwood sheds come with a 10-year warranty.

A 100% ECO-FRIENDLY PRODUCT

According to statistics, approximately 1 million plastic bottles are consumed every minute worldwide. Our FIBERWOOD wood composite boards offer a concrete solution to this critical problem.

Made from 90% recycled wood particles and plastic, our FIBERWOOD wood composite boards are environmentally friendly. Each board helps reduce plastic waste and preserve forest resources.

This eco-friendly product is 100% recyclable. The FIBERWOOD board can be transformed into new materials, avoiding its accumulation in landfills.

Choose FIBERWOOD for a more environmentally responsible lifestyle. Together, let's build a better future, one board at a time.
